Personal Relationship with Jesus Christ

It is our desire that all employees feel comfortable within the Christian environment at The Mission. Because of the unique nature and purpose of our organization, all employees are expected to be able to share with students, business associates, volunteers and visitors about his or her personal relationship with Jesus Christ. Employees must be able and prepared to council with those we serve and must conduct themselves in a manner that reflects the Christian values we all share. In light of these facts, the following information is requested as a bona fide occupational qualification.
